The Event Organiser shall have sole authority over admission policies at all times. After opening day, if for any reason a properly badged Exhibitor or representative desires to enter the exhibit area in advance of the prescribed time, or after closing hours, a request specifying the reason and giving all names of persons who will enter the exhibit area in accordance with such request shall be presented to The Event

Organiser for approval. Exhibitors receiving approval will be required to have an official security representative escort the group to the designated booth. All costs associated with admission during non-official hours, including but not limited to security, will be the responsibility of the Exhibitor. The Event Organiser reserves the right to refuse admission or eject from the Exhibition any person whose conduct is deemed by The Event Organiser to be disorderly or unbecoming. The license granted by admission to the Exhibition may be terminated by tendering to the attendee the purchase price of admission to the Exhibition.
