AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Dr Alexandra Tickle
Commercialisation Manager
Otago Innovation, New Zealand

Since joining Otago Innovation in 2003, Alex focuses on commercialising therapeutics, diagnostic biomarkers, and drug discovery screening technologies that have been invented by researchers from the University of Otago.

With her PhD in Chemistry and previous roles in Product Management and Sales with Neuraxpharm, a German pharmaceutical company, she brings science and commercial experience to the team.
