AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Dr. Klaus B. Schoepe
Senior Vice President Client Relations
Rentschler Biotechnologie GmbH, Germany

Klaus Schoepe studied chemistry and pharmacy in Berlin, Freiburg and Heidelberg. He is a licensed pharmacist and obtained his doctoral degree in biochemistry at the German Cancer Research Center in Heidelberg, Germany.

Subsequent to a postdoctoral fellowship at the German Cancer Research Center in Heidelberg and the Baylor College of Pharmacy in Houston, Texas, he went to Boehringer Mannheim GmbH (Germany) where he worked from 1986 until 1998.

After several positions at Hoffmann La Roche AG (Basel, Switzerland), ASTA Medica AG (Frankfurt/Main, Germany, which later became Baxter Oncology GmbH) and Merckle GmbH (Ulm, Germany), Klaus Schoepe joined Rentschler Biotechnologie GmbH in 2005. As Head of the newly created Project Management Department, he was responsible for leading the execution of all API client projects.

His current position of Senior Vice-President of Projects includes responsibilities in project management, sales & marketing and regulatory affairs. Klaus Schoepe has extensive experience in international pharmaceutical development and project management.
