## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**Dr David Fisher**  
**Partner**  
**Brandon Capital, Australia**

David is a founding partner of Brandon Capital Partners. David established its predecessor, Brandon Capital Management, the investment manager for three life sciences Pooled Development Funds in 1999.

Before this, David was CEO of Peptech Limited from its establishment in 1986 to 1995 (became Arana Therapeutics and acquired by Cephalon, Inc in 2010). Prior to Peptech David spent ten years with Pharmacia AB (now part of Pfizer, Inc), including five years at their head office in Sweden heading up their new product marketing development group for the diagnostics division.

David is a director of Global Kinetics Corporation, Signostics Limited, Nanosonics Ltd and Aeris Environmental Ltd.

He is a past president of the Australian Biotechnology Association and past chairman of the CSIRO's Division of Animal Production Industry Advisory Committee.
