## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**Dr Greg Collier**  
**Managing Director**  
**Barwon Biotechnology Pty Ltd, Australia**

Greg Collier has over 20 years of experience in the biotechnology industry. He is a regular invited speaker at international research and biotechnology conferences.

Most recently as CEO of ChemGenex Pharmaceuticals he guided the company through clinical development and eventual regulatory submission of a new drug treatment for Leukemia in USA and Europe.

During this time he oversaw numerous global partnering deals, an international merger, a major business unit demerger, multiple capital raisings and eventual sale of the company to Cephalon, Inc.
