AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Dr Jo Mitchell
Associate Director Research
Ethics and Public Health Training, Australia

Jo Mitchell joined the NSW Department of Health in September 2008. In her current role as Associate Director, Research, Ethics and Public Health Training Branch, Jo is responsible for: leading the development of policies and programs to support effective governance of research (including streamlined ethical review processes); encouraging excellence in population health research; strengthening an evidence-informed approach to health policymaking in NSW; and strengthening the public health workforce in NSW.

She is also currently supporting the NSW Health and Medical Research Strategic Review, which is being led by Mr Peter Wills AC.
