Adelaide Convention Centre, South Australia  
[www.ausbiotech2011.com.au](http://www.ausbiotech2011.com.au)

## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**Dr John Chiplin**  
**Managing Director**  
**Newstar Ventures Ltd., Australia**

John Chiplin, PhD, has broad-based experience in the life science and technology industries, both from an operational and investment perspective.

Most recently he was founding CEO of Arana Therapeutics, a new generation Antibody developer and a board member of Domantis, Inc. - prior to the acquisition of the companies by Cephalon and GSK respectively. Immediately prior to running Arana, Dr. Chiplin was head of the ITI Life Sciences investment fund in the UK.

His own investment vehicle, Newstar Ventures Ltd., has funded more than a dozen early stage companies in the past ten years. Dr. Chiplin's Pharmacy and Doctoral degrees are from the University of Nottingham, UK, and he currently serves on the Boards/acts as an advisor to a number of international public/private companies and venture capital funds.
