AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Dr Tim Oldham
Corporate Vice President and President
Asia Pacific, Hospira Inc., Australia

Tim Oldham is a Corporate VP and President, Asia Pacific of Hospira Inc., a Chicago based specialty pharmaceutical and medical device company. Tim is located in Melbourne and has responsibility for Hospira's commercial operations in the APAC region. Asia Pacific's commercial staff number more than 250 in ten countries across the region and generate more than US\$270million in sales of injectable generic and proprietary pharmaceuticals and infusion management and safety devices for hospitals each year.

From 2002 to 2006, Tim was employed by Mayne Pharma Ltd (acquired by Hospira in 2007) in business development, strategic marketing and strategic partner management roles at Mayne Pharma's Europe, Middle East and Africa regional office in the UK.

Tim is a former board member of the Generic Medicines Industry Association, a former member of the European Generic Medicines Association executive and chair of its Biosimilars and Biotechnology Committee, and was a member of the Australia Pharma Industry Working Group.

Tim holds BSc(Hons) and LLB(Hons) degrees from the Australian National University and a PhD (Chemistry) from the Imperial College of Science, Technology and Medicine in London.
