AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Dr Geoffrey Cumming
Chief Executive Officer – Executive Director
Anteo Diagnostics, Australia

Dr Cumming has over 20 years' experience in the healthcare and biotechnology sectors. Geoff's experience has been gained from roles in research, sales and marketing, senior management and leadership positions at an executive and board level. He was previously Managing Director of Roche Diagnostic Systems – Oceania Regional Centre, where he transformed a loss making business to one achieving over 30 per cent compound annual growth over a four year period and the highest profitability levels in Roche's global organisation.

Geoff was also Managing Director and CEO of an Australian based Biotechnology Company commercialising a range of products in cancer diagnosis and treatment. During his tenure he was responsible for taking research from Sydney University through to product registration. This involved capital raising, managing Intellectual Property, investor relations and forging links with relevant international partners.

Dr Cumming has also been a Non Executive Director of ASX listed Medical Australia Limited since January 2009.
