16 to 19 October 2011  
Adelaide Convention Centre, South Australia  
[www.ausbiotech2011.com.au](http://www.ausbiotech2011.com.au)

## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**T. Justus Homburg**  
**Founder and Executive Director**  
**YHI Ventures, Australia**

Justus Homburg is a new technologies and international new business growth professional with experience in the human therapeutics, agricultural and specialty chemicals sectors.

He is the Founder and Executive Director of YHIVentures, a firm dedicated to the development of Australian agricultural technologies from research to commercialisation; the Founder and Executive Director of Colaescia, a firm focused on managing a small portfolio of Australian human therapeutics discoveries through preclinical development; and the Founder and Executive Director of IC2Systems, a human resource information management technologies company.

Justus's career includes working with new technology development at Monsanto and Progen Pharmaceuticals.

Justus, a former University of Michigan faculty member and Fulbright Scholar, holds an MBA from the University of Washington, graduate degrees from Southern Illinois University and the University of Utrecht, and an undergraduate degree from Iowa State University.
