AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Liddy McCall
Investment Director
Yuuwa Capital, Australia

Liddy has been involved in technology commercialisation for over 10 years.

In 2002, she co-founded Tessitura Pty Ltd with fellow Yuuwa Capital Investment Director, Dr James Williams, to provide commercialisation support to biotechnology companies. Liddy has been involved in taking companies from proof-of-concept through to goals including marketed medical device (FDA, CE Mark, TGA); successful completion of clinical drug trials; and early revenue generation through pharmaceutical adoption of new technologies.

She was a co-founder of the iCeutica Group companies formed to commercialise a technology co-invented by James Williams. As a founder, Liddy undertook a range of roles to support the growth of iCeutica including as a director of both iCeutica Inc and iCeutica Pty Ltd. iCeutica was acquired by Iroko Pharmaceuticals in 2011. Liddy is also a co-founder of Dimerix Bioscience Pty Ltd.

Prior roles include Associate Director, Corporate Advisory Group at Macquarie Bank. Liddy was based in Sydney and Toronto focusing on mergers, acquisitions, divestments and corporate advisory transactions across a range of industries. Liddy has been admitted as a Barrister and Solicitor in various Australian jurisdictions. She has prior experience working as a lawyer and in funds management.
