16 to 19 October 2011  
Adelaide Convention Centre, South Australia  
[www.ausbiotech2011.com.au](http://www.ausbiotech2011.com.au)

## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**Dr Rob Crombie**  
**Managing Director**  
**Concept2Clinic Consulting, Australia**

Rob Crombie, PhD is currently Managing Director of Concept2Clinic Consulting, offering strategic and business development advice to biotech companies in Australia and offshore, as well as providing assistance through his role as a Case Manager for Commercialisation Australia.

Previously as Head of Melbourne Operations for Arana Therapeutics, Dr Crombie played a key role in Arana's success, securing and alliance managing many of Arana's key partnership deals with companies such as GSK and CSL Limited, culminating in Arana's acquisition by Cephalon in 2009.

Dr Crombie has also worked in the UK biotechnology sector, and has degrees from Trinity College Dublin, The University of Glasgow, and a post-doc from Baylor College of Medicine.
