## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**Rob McInnes**  
Partner, Intellectual Property and Technology  
Dibbs Barker, Australia

Rob is a Partner of DibbsBarker, specialising in intellectual property transactions. He has over 20 years' experience in the management, commercialisation and enforcement of intellectual property rights.

He assists clients including multinationals, start-ups, universities and private equity investors, in the negotiation and drafting of licensing and other IP agreements, and the establishment and financing of new technology ventures.

In addition to his career as a lawyer in private practice, he has a degree in chemistry and was the in-house Manager of IP and Technology Transfer with a multinational corporation.

Rob has been recognised as one of the world's top 250 technology licensing lawyers, and is a Past President of the Licensing Executives Society in Australia. He is one of only seven Australians to have qualified as a Certified Licensing Professional under a scheme established by the Licensing Executives Society in the USA.
