## AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

**Dr. Robert Lee Kilpatrick**  
**CEO, Co-Founder and Partner**  
**Technology Vision Group LLC (TVG), United States**

Dr. Robert Lee Kilpatrick is Co-Founder and Partner of Technology Vision Group LLC (TVG). Since 1992, Dr. Kilpatrick along with TVG has been connecting innovators and leaders in the life science industry across the US, Canada, China, Europe, Australia, Latin America, India, and Asia. The 19-year track record of success is founded by a deep industry knowledge, integrity in business, and powerful network of valuable relationships - fulfilling the vision to be Your Global Life Science Network™.

Dr. Kilpatrick was educated at the University of California, Berkeley and Cambridge University, where he received a Doctorate in the History and Philosophy of Science and Medicine. He is on the Board of Directors of the BayBio Institute, a non-profit think tank in San Francisco focused on issues related to the bio-economy. Professional memberships include: BayBio Life Science Assoc., BIOTECCanada, and the Biotechnology Industry Organization (BIO). His hobbies include fly fishing, music, reading, and sustainable organic gardening.
