AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Samantha Cobb
Chief Executive Officer
AdAlta , Australia

Ms Samantha Cobb has over 15 years experience in biotechnology management and commercialisation.

Sam is the founding CEO of AdAlta, involved in the commercialisation of AdAlta's i-body and shark antibody technologies. Prior to AdAlta Sam was the Business Development Director at the CRC for Diagnostics.

Sam has also worked for the biotech start up company, Nephrogenix Pty Ltd and commercialising early stage technology at the University of Queensland's technology commercialisation companies, Uniquest Pty Ltd and IMBcom Pty Ltd.
