AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Mr. Terry Hurst
Chief Executive Officer
Q-Pharm Pty Limited, Australia

Terry has been CEO of Q-Pharm since July 2008 and has more than 20 years experience in medical research in both the university and commercial sectors.

Prior to his current appointment Terry was General Manager/Company Secretary of Q-Pharm – a position he took upon the establishment of the company in 2002. In this role he had responsibility for all of the commercial operations of the company.

In his current role he is primarily involved in the strategic development of the company but also has a special interest in early the stages of business development associated with the procurement and establishment of early phase clinical trials.
