AUSBIOTECH 2011 CONFERENCE SPEAKERS' PROFILE

Warren Bingham
President, Australia / New Zealand
Given Imaging Pty Ltd, Australia

Warren has over 20 years experience in Medical Device sales, marketing and business development. He established the Australian and New Zealand operations as a fully owned subsidiary of Given Imaging Ltd, Israel in February 2001, being the first Israel Medical Device Healthcare organization to establish a subsidiary operation in Australia. To date, more than 1,500,000 patients have benefited from PillCam® Capsule Endoscopy worldwide.

Warren is an active member of AusMedtech's National Advisory Group. He also chairs the newly formed AusMedtech Health Economics Expert Panel, (HEEP). The panel will provide advice on issues and trends impacting the medical device and diagnostics sector in Australia, related to:

- Health economics and assessment;
- Reforms in medical devices regulatory framework; and
- Processes for public funding and reimbursement of medical devices in Australia.
